For St. George, April 25, 1924 (P.O. No. 118, F. 1924).

No. 101.—The following shall be inserted as rule 70-A of the Madras Travelling Allowance Rules:—

70. 70 A.—A Government servant in superior service transferred from one post to another who is required by the competent authority to hand over charge of his old post or to take over charge of his new post at a place other than the headquarters, is entitled to:—

(i) travelling allowance en route from the place of handing over to the place of taking over charge;

(ii) If from where he belongs to a grade higher than grade XIII and if there is other case, of the class to which his grade entitles him for journeys by railway and single fare for journeys by steamer from his old to his new headquarters;

(iii) all the further allowances admissible under clauses (ii) to (v) of rule 71, and mileage for such journeys on the scale prescribed by rule 72, distributed by one, as for a journey direct from the old to the new headquarters.

For the journeys from his old headquarters to the place of handing over charge, or from the place of taking charge to his new headquarters he will draw travelling allowance as for journeys en route;

Provided that if his family has, in consequence of the transfer, to be transferred to a station other than the new headquarters travelling allowance for the family may be allowed, at that other station subject to the condition that it does not exceed the travelling allowance that would have been admissible if the family had proceeded to the new headquarters station;

Provided further that no allowance will be admissible under this rule when permission to hand over charge at a place other than his headquarters is given at the Government's request or for his convenience.

For St. George, March 7, 1924 (P.O. No. 129, F. 1924).

No. 102.—The following amendments are made to the Madras Travelling Allowance Rules:—

(i) For the existing rules 17 to 19, the following shall be substituted:

CONVEYANCE ALLOWANCE.

17. (1) A conveyance allowance may be granted by the Local Government to Government servant, who has to travel regularly within a specified area, for the maintenance of a specified conveyance and is in lieu of all travelling allowances ordinarily admissible for journeys in the specified area.

(2) A Government servant is exempt of a conveyance allowance who is required to tour on duty outside the specified area may draw either conveyance allowance for the days on which such tour is made, or, as the case may be, travelling allowance under the ordinary rules in respect of the entire tour beyond the specified area whichever is greater.

The term "entire tour" means the journey performed on the days on which a Government servant proceeds outside, or returns to, the specified area, and the tour outside that area. A halt for a portion of a day made in the specified area while proceeding outside, or returning to, it, may, subject to the provisions of rule 51 of the Madras Travelling Allowance Rules, be counted as part of the tour for purposes of this rule.

18. A condition precedent to the drawing of a conveyance allowance is that the officer concerned must certify in his monthly pay bill that the conveyance for which the allowance is drawn was actually kept in good order and used by him during the month. An officer entitled to a motor car allowance may, if he maintains a motor cycle in place of a motor car, draw a motor cycle allowance of Rs. 25. An officer entitled to a motor cycle allowance may, if he maintains a bicycle in place of a motor bicycle, draw a bicycle allowance of Rs. 5.

19. A list of conveyance allowances showing the areas for which they are granted is given in Annexure IV.

(ii) ANNEXURE II.—The following shall be substituted for item (3):—

(3) Road motorbikes and motorbikes for journeys, whether within or beyond station limits to distances not exceeding 10 miles from the station to which they are attached, subject to the following exception:—

In the case of journeys by road an escort duty within their districts, subordinate police officers may when the journey does not exceed 10 miles be granted in addition to travelling allowance ordinarily admissible, actual expenses for the conveyance of baggage at the rate specified in Order No. 144 (ii), Volume IV.

(iii) The list given in the appendix to these proceedings shall be substituted for the list in Annexure IV.

2. Assistant Inspectors of the Salt and Abkari Department and Bangers of the Forest Department who are now drawing conveyance allowances for the maintenance of horses will, pending the issue of further orders, be permitted to draw their present allowances in accordance with the existing rules.

3. Officers under the administrative control of the Madras Government, who are drawing conveyance allowances deductible to central revenues, will not be affected by these orders.

No. 101.—In G.O. No. 117, Finance, dated 19th October 1923, it was brought to the notice of several subscribers to the General President Fund that it would be to their advantage if, in future their fees, they took out before which was presented by the subscribers of section 2 of the Married Women's Property Act, 1915, as subsequently amended. The Government of India have now explained that the provision included by the Married Women's Property Act does not apply to persons payable a dividend if they are liable to British Income Tax and, according to circumstances, it may be to other British debts. It is essential, therefore, in order to secure exemption from probate and other duties, that the policies effected by married subscribers to the General President Fund should be payable in India.
